INVESTMENT PHILOSOPHIES
Kerschner, E.

The class will offer perspectives on: 1) techniques for managing investments for mutual funds, institutional funds and not-for-profits, as well as 2) the current economic and market environment. Each session will have one or more guest speakers. Each class will begin with the speaker making a presentation, during which active class interaction is encouraged. Students will be expected to have read materials provided by speakers in advance as well as other relevant materials obtained on your own. Active class participation is encouraged.
