Midterm Exam Information

Prof. Lynch

I. Mid-term Exam Date (in class): Wednesday, June 7, 6:00-7:30pm in KMEC 3-55.
II. Exam Time: 90 minutes.
III. Closed Book except for one 8.5" x 11" page with anything written on both sides. Be warned! If you are found with more than the allowed surface area of pages, all of your pages will be immediately confiscated. You may also take a calculator (but not a palm pilot) into the exam. If the calculator is programmable, you must not have programmed any formulas into it. To have done so will be a violation of Stern’s honor code.
IV. Examinable Material:
   A. Lecture Notes: Lecture Notes 1 through 5 form the basis of the examinable material. Use these as your first reference.
   B. Problem Sets: Problem Sets 1 through 5.
V. There will be 20 multiple choice questions which will be graded on a correct/incorrect basis. Each question is worth 2 points so the maximum number of points you can earn is 40.
VI. The practice midterm is a good guide as to the style of question on the Midterm. But the Practice Midterm is probably slightly more difficult than the actual Midterm. There are also some additional practice questions which are also indicative of the style of question on the Midterm.
VII. You must sign a statement on the cover page of the Midterm indicating that you adhered to the code of conduct. The statement is: “I pledge my honor that I have not violated the Stern Student Code of Conduct in the completion of this exam.” You will fail the exam if you do not sign this statement.
VIII. All pages of the exam must be handed in. You will fail the exam if you do not hand in all pages. You must write your name on every page of the exam. If you don’t, you will incur a 5 point penalty.

Instructions: 90 minutes. Closed book. You are permitted use of a financial calculator and one sheet (8½" x 11") of notes. If the calculator is programmable, you must not have programmed any formulas into it. To have done so is a violation of Stern’s honor code. Starting on page 2, you will find 20 multiple choice questions which will be graded on a correct/incorrect basis. Answer all questions. Enter your final answer for all questions in the answer sheet on the last page of this exam. Each question is worth 2 points so the maximum number of points you can earn is 40. If you get stuck on a question, guess, move on, and come back at the end if you have time. Use the backs of pages for calculations if you need to.

Write your name at the top of every page of the exam. Failure to do so will result in a 5 point penalty. You must hand in all 14 pages. Failure to hand in all 14 pages will result in failure of the exam. If you need less than 70 minutes, you can leave the exam room early. You cannot leave the room in the last 20 minutes of the exam. When time is up, stop writing, and remain silent.
