Competition and cooperation: Britannica vs Encarta; De Beers and Beyond: The History of the International Diamond Cartel; Christie’s and Sotheby’s; Entering the Aspartame Market; Competition in the Wide-Body Aircraft Industry; VHS vs Betamax; The Magazine “Cover Gifts” War. Cooperation or competition?

Firm boundaries: Scale and Scope at Citigroup; Virgin Group Ltd.; Outsourcing at Ericsson; Sony and Loews.

■ Invited presentations

In the U.S. and Canada: Bell Communications Research Labs, Boston University (3+), California Institute of Technology, Columbia University (2), Cornell University, Dartmouth (Tuck School of Business), Drexel University (2), Duke-UNC (2), General Motors Research Labs, Georgetown University, GTE Labs, Harvard University, Iowa State University, Johns Hopkins University, MIT, New York University (3+), Northwestern University (2), PennState, Ohio State University, Purdue University, Queens University (2), Rutgers University, Stanford University (3+), SUNY Stony Brook, University of Arizona, University of British Columbia (3+), University of California-Berkeley (3+), University of California-Los Angeles (2), University of California-San Diego, University of California-Santa Cruz, University of Chicago, University of Colorado-Boulder, University of Illinois-Urbana, University of Maryland, University of Michigan, University of Pennsylvania (2), University of Rochester (2), University of Southern California, University of Toronto (2), University of Virginia, University of Wisconsin-Madison, Vanderbilt University, Yale University (3+).

In the U.K.: Cambridge University (2), London Business School (3+), London School of Economics (3+), Oxford University (2), Queen Mary and Westfield College, University College London, University of Essex, University of Nottingham, University of Southampton, Warwick University, York University.

In Europe: University of Athens, Bocconi University, CORE (2), ECARES (ULB), European Commission, European University Institute (Florence), Fundacion Empresa Publica (Madrid), IESE Business School (2), Insead (2), ISEG (Lisbon) (2), Paris School of Economics, Tilburg University, Trinity College Dublin, University of Alicante (2), University Autonoma de Barcelona, University of Bergen, University of Bern, University Catolica Portuguesa (3+), University Complutense de Madrid, University of Copenhagen (2), University of Lausanne, University of Leuven (KUL), University of Lisbon (CMAF), University of Minho, University of Munich, University of Navarra (2), University Nova de Lisboa (3+), University of Oslo, University Pompeu Fabra, University of Porto, University of Vigo, University of Zurich, WZB (Berlin).

Elsewhere: Atami (Japan), Australian National University, Gertulio Vargas (Rio de Janeiro), Hebrew University Jerusalem, Hong-Kong Technical University, PUC (Rio de Janeiro), Tel-Aviv University, University de los Andes (Santiago, Chile), University of Beijing, University of Kobe, University of Melbourne, University of New South Wales, University of Queensland, University de la Republica (Uruguay), University of Sidney.

Distinguished lectures: Keynote Speaker, Portuguese Industrial Organization Society (Lisbon, January 2003). Keynote speaker, Southern European Association for Economic Theory (Barcelona, November 2004). Keynote Speaker, European Association for Research in Industrial Economics (Porto, September 2005). Distinguished Visitor, Drexel University (May and November 2008).

Other invited presentations: Econometrics Society European Winter Meetings (Alicante, 1990). Finnish Doctoral Program Annual Meeting (Helsinki, June 1990). IDEE Workshop (Toulouse, 1991). Network of Industrial Economics (Lancaster University, 1997). UBC Summer IO Conference (Vancouver, July 2001). Competitive Strategy Conference (Montreal, June 2002). Conference on Networks and Standards (Moscow, June 2003). Conference on Strategy (St Louis, May 2007). Conference on Standards and Public Policy (Chicago, May 2004). Workshop on Competition Policy (Berkeley, October 2007). I and II Lisbon Conferences on Competition Law and Economics (Lisbon, November 2005 and 2007). OECD 100th Meeting

Conference (Paris, February 2008). Workshop on the Economics of Marketing (Frankfurt, June 2008).

Other presentations at conferences and workshops (accepted submissions): Econometrics Society, AEA, EEA, EARIE, IIOS annual conferences (various years since 1988). CEPR: various workshops (IO programme). NBER: various workshops (IO and entrepreneurship groups).

Recent invited presentations: Queens University (September 2008), Drexel University (October 2008), Johns Hopkins University (March 2009).

■ Teaching experience

Undergraduate: microeconomics, industrial organization, competitive analysis.

Graduate: industrial organization, game theory, strategy.

MBA: microeconomics and game theory.

Mini-courses and lectures: The Economics of Reputation and Trust (Zurich, 2002); Strategy Summer Camp (Beijing, 2008); Dynamic Oligopoly Competition (Fordham, 2008; European Commission's DGComp, 2008).

■ Graduate students

Doctoral theses committees (main advisor): Pedro P. Barros, 1993; Margarida Lopes, 1999; Tobias Kretschmer, 2001; Flavio Toxvaerd, 2002; Cristian Dezso, 2006; Anna Ingster (exp. 2009), Ali Yurukoglu (exp. 2009).

Doctoral theses committees (member): Alessandro Gavazza, 2005, Giovanni Serio (2006), Martin Paredes (2007).

Doctoral theses external examiner: Paul Povel (LSE, 1998); Vasco Rodrigues (Católica Porto, 2002); Helder Vasconcelos (European University Institute, 2002), Jeanine Thal (Toulouse, 2006), João Montez (Lausanne, 2007).

Master's theses committees (main advisor): Pedro Pereira, 1991; Margarida Lopes, 1993; Isabel Ucha da Silva, 1994; Nuno Martins, 1996.

■ Editorial duties

Co-Editor, *Journal of Economics and Management Strategy*, 2004–.

General Editor, *Journal of Industrial Economics*, 1999–2003.

Associate Editor: *B.E. Journal of Economic Analysis and Policy* (2005–), *Portuguese Economic Journal* (2002–), *Review of Network Economics* (2000–), *International Journal of Industrial Organization* (1995–1998), *Investigaciones Economicas* (1994–1998), *Economia* (1989–).

Referee: *American Economic Review*, *Econometrica*, *Economic Journal*, *European Economic Review*, *International Economic Review*, *International Journal of Industrial Organization*, *Journal of Economic Dynamics and Control*, *Journal of Economic Theory*, *Journal of Economics and Management Strategy*, *Journal of the European Economic Association*, *Journal of Industrial Economics*, *Journal of Political Economy*, *Journal of Public Economics*, *Management*

Science, Marketing Science, Quarterly Journal of Economics, Rand Journal of Economics, Review of Economic Studies, and other journals. Excellence in Refereeing Award, *American Economic Review*, 2008.

■ Additional current and past affiliations

Research Fellow, Centre for Economic Policy Research, London (1992–).

External member, Group of Economic Policy Analysis (GEPA, an advisory group to the President of the European Commission), 2006–.

Research Affiliate, Center for Experimental Social Science, New York University.

Research Associate, Center for Japan-U.S. Business and Economic Studies, New York University.

Affiliate, Law and Economics Consulting Group (2001–), Applied Economic Solutions (2001–)

Chief Economic Adviser, Portuguese Competition Authority (2005–2008).

Member of the Advisory Committee: Research Unit on Complexity in Economics (UECE/ISEG, Lisbon, Portugal); CEFAGE, University of Évora (Portugal).

Visiting Scholar, Santa Fe Institute (1989), Boston University (1989, 1993, 1994), Stanford University (1993), Institut d'Anàlisi Econmica (1993).

Member, American Economic Association, Econometric Society, other learned societies.

■ Academic associations and conferences

Member of the Executive Committee: Southern European Association for Economic Theory (ASSET), 1992–1996. European Association for Research in Industrial Economics (EARIE), 1994–1999.

Founder (2003) and organizer (2003–2007), IO Day (a.k.a. New York Commuter Industrial Organization Workshop).

Conference organizer or co-organizer: European Summer Symposium in Economic Theory, Switzerland, various years. ASSET Annual Meeting, Lisbon, November 1994. Portuguese Economics Research Society 1st Meeting, Lisbon, April 1996.

Member of the Program Committee: Econometric Society European Meeting (1999, 2006, 2007). European Association for Research in Industrial Economics (1994, 1997, 2001, 2002, 2003, 2007). European Economic Association (1995, 1996, 2002). European Research Workshop in International Trade (1992). International Telecommunications Society World Conference (1996).

■ Other professional activities

Consultant: Federal Reserve Bank of New York, Bank of Portugal, Pfizer Pharmaceuticals, OECD, European Commission, Portugal's Minister of Finance, various other companies and government institutions.

Media coverage. Professor Cabral's research has been covered on television (e.g., NBC), radio (e.g., BBC) and the press (e.g., *The Wall Street Journal*). In addition to the U.S., media coverage includes (in alphabetical order) Brazil, Chile, Portugal, and the United Kingdom.

■ Honors

Banco Português do Atlântico Prize (best student in undergraduate class), 1983.

A. Melo Foundation Prize (best student in Masters program), 1985.

Fulbright scholarship, 1985-89, 1993.

European Association for Research in Industrial Economics (EARIE) prize (best young scholar paper, co-winner), 1989.

Research Professor, Stern School of Business, 2002–2007.

W. R. Berkley Term Professor of Economics, Stern School of Business, 2007–2010.

■ Personal

Born on June 8, 1961 in Lisbon, Portugal. Portuguese citizen. U.S. permanent resident. Hobbies include painting and saxophone playing. Additional information at luiscabral.com
