

RETIREMENT AGE

Effective Retirement Age vs. Official Retirement Age

■ Effective retirement age for men
| Official retirement age for men
■ Effective retirement age for women
| Official retirement age for women

* Official retirement age dependent on year of birth.
 ** Belgium and France: workers can retire at age 60 with 40 years of contributions;
 Greece: at age 58 with 35 years of contributions;
 Italy: at 57 (58 for manual workers) with 38 years of contributions
