

Viral V. Acharya is the C.V. Starr Professor of Economics in the Department of Finance at New York University Stern School of Business (NYU-Stern). Viral was a Deputy Governor at the Reserve Bank of India (RBI) during 23rd January 2017 to 23rd July 2019 in charge of Monetary Policy, Financial Markets, Financial Stability, and Research. His speeches while at the RBI were released in July 2020 in the form of a book titled *Quest for Restoring Financial Stability in India* (SAGE Publications India), with a new introductory chapter *Fiscal Dominance: A Theory of Everything in India*. He has been an Academic Advisor to the Federal Reserve Banks of Chicago, Cleveland, New York and Philadelphia, and the Board of Governors, and provided Academic Expert service to the Bank for International Settlements, the International Monetary Fund and the World Bank. He is a (conditional) member of the Climate-related Financial Risk Advisory Committee (CFRAC) of the Financial Stability Oversight Council.

Viral completed Bachelor of Technology in Computer Science and Engineering from Indian Institute of Technology, Mumbai in 1995 and Ph.D. in Finance from NYU-Stern in 2001. Prior to joining Stern, he was at London Business School (2001-2008), the Academic Director of the Collier Institute of Private Equity at LBS (2007-09) and a Senior Houblon-Normal Research Fellow at the Bank of England (Summer 2008). At Stern, Viral co-edited the books *Restoring Financial Stability: How to Repair a Failed System*, John Wiley & Sons, March 2009, *Regulating Wall Street: The Dodd-Frank Act and the New Architecture of Global Finance*, John Wiley & Sons, November 2010, and *Dodd-Frank: One Year On*, NYU-Stern and CEPR (released on voxu.org), July 2011. He is also the co-author of the book *Guaranteed to Fail: Fannie Mae, Freddie Mac and the Debacle of Mortgage Finance*, Princeton University Press, March 2011 and Harper Collins (India), June 2011.

His primary research interest is in theoretical and empirical analysis of systemic risk of the financial sector, its regulation and its genesis in government- and policy-induced distortions, an inquiry that cuts across several other strands of research – credit risk and liquidity risk, their interactions and agency-theoretic foundations, as well as their general equilibrium consequences, as well as climate-change related risks. He has published articles in the *American Economic Review*, *Journal of Finance*, *Journal of Financial Economics*, *Review of Financial Studies*, *Review of Finance*, *Journal of Business*, *Journal of Financial Intermediation*, *Rand Journal of Economics*, *Journal of Monetary Economics*, *Journal of Money, Credit and Banking*, and *Financial Analysts Journal*.

Viral received the inaugural Banque de France – Toulouse School of Economics Junior Prize in Monetary Economics and Finance, 2011, and was awarded the 2017 Alexandre Lamfalussy Senior Research Fellowship of the Bank for International Settlements (BIS). He has been a Clarivate Analytics Highly Cited Researcher, 2020 and 2021, and his articles have won several best paper prizes at journals and conferences. He is a Research Associate of the National Bureau of Economic Research (NBER) in Corporate Finance, a Research Affiliate at the Center for Economic Policy Research (CEPR), and Research Associate of the European Corporate Governance Institute (ECGI).

Viral is currently editor of the *Journal of Law, Finance and Accounting* (2014-16, 2020-), an associate editor of the *Review of Corporate Finance Studies* (RCFS, 2011-) and *Review of Finance* (2006-), and was an editor of the *Journal of Financial Intermediation* (2009-12) and associate editor of the *Journal of Finance* (2011-14).
